Management and  
Governance

## Review Summary

- The school provides an exciting learning environment where students feel safe, participate in a wide range of extracurricular activities, and develop a clear sense of independence.
- The quality of teaching and learning in the school is outstanding and students receive a very high-quality educational experience.
- The school offers great care for students through the provision of its academic support and intervention.
- The school's leadership has a clear vision for future growth based on comprehensive self-evaluation, and pioneering projects are implemented to enrich students' experiences.
- The school should further develop students' standards in Arabic.
- All this means that students will continue to receive further care and individualised attention to grow, and as part of this, the school will draft an action plan based on the review recommendations.
